

CIC HEAD START PROGRAM GOALS

GOAL #1

CIC Head Start will promote strong classroom communities by strengthening the social and emotional foundation of children, staff, and families.

- CIC will implement the parent curriculum and classroom management/social-learning curriculum, Conscious Discipline and Positive Behavior Interventions and Support (PBIS)
- CIC will enhance the knowledge, support, and resources for social emotional development for staff and families.
- CIC will use the CLASS tool to strengthen classroom communities.

GOAL #2

CIC Head Start will strengthen child outcomes to provide a solid academic foundation that promotes success for our students throughout their educational career.

- CIC will support and encourage regular attendance for all students to maximize the learning experiences for students.
- CIC will enhance STEAM (Science, Technology, Engineering, Art, and Math) learning for students.
- CIC will enhance physical development for students.

GOAL #1

CIC Head Start will strengthen services for children and families transitioning into and out of Head Start to promote success for our students throughout their educational career.

- CIC will strengthen services to ensure families and children are prepared to enter the Head Start program.
- CIC will ensure all eligible students are enrolled in kindergarten.
- CIC will ensure students receiving mental health services have a seamless transition into their elementary schools.
- CIC will ensure children and families are prepared for transition into Kindergarten.

GOAL #1

CIC will support families in achieving goals to acquire a better quality of life beyond basic needs.

- CIC will support families in obtaining desired educational goals.
- CIC will support families in obtaining desired employment goals.
- CIC will assist families in increasing family well-being.
